

# Grade 2 Learning Invitations – # 3

## Wonder of the Week (May 4-May 8): How might we show gratitude and thanks?

Here is a **Choice Board** to guide your child’s home learning. Choose one activity a day that works for you and your family. You can do more, or some choices more than once. Have fun!

Well Being	Literacy	Numeracy	Explore
<p>Dance party! Put on your favorite tunes and DANCE! Make music with pots and pans and wooden spoons.</p> 	<p>Choose your favourite season and write a list of reasons for your choice. Write two descriptive sentences to read to someone and have them guess your season.</p> 	<p>Mark and Dan went apple picking. Mark picked 23 apples and Dan picked 77 apples. How many apples altogether? How many more apples did Dan pick than Mark? Can you make up more apple number stories?</p> 	<p>Hide an item and see if a family member can use a map to find the treasure. Include directions and number of steps to the treasure. Take turns hiding and hunting for treasure.</p> 
<p>Write a thank you letter to someone who helps you or your family. What might you say? Draw a picture to go with your letter. Can you send the letter to this special person?</p> 	<p>Write a list of 5 or more things that you are thankful for. Can you add details to explain why you are grateful for these things? Who can you share this list with?</p> 	<p>Fill up the sink or a bucket outside, with water. Get different containers and explore which containers hold more. Do tall containers always hold more than short ones?</p> 	<p>Be a kitchen explorer! Go into your kitchen and find 5 solids and 5 liquids. Describe to someone what makes the item a solid or a liquid. How are solids and liquids similar and different?</p> 
<p>Help a family member prepare a meal. You can create a menu too!</p> 	<p>Read or listen to a story. Talk to someone about the problem and the solution in the story. How might you show this with writing or pictures?</p> 	<p>How many days are in the month of May? How many weeks is that? Do all months have the same number of weeks? Use a calendar to investigate.</p> 	<p>Create a puppet show to tell a story of something you are grateful for. Use socks, or paper characters taped onto chopsticks, forks or sticks. What other stories can you tell?</p> 
<p><b>Daily Reading</b></p> <ul style="list-style-type: none"> <li>Tumblebooks: <a href="https://www.tumblebooklibrary.com/book.aspx?id=4172">https://www.tumblebooklibrary.com/book.aspx?id=4172</a> Username: <b>VSBreads</b> Password: <b>trial</b></li> </ul>			

**Link of the Week:** Watch the eagle chicks in Delta with the live cameras at their nest!
