

Week 1 Menu - Ms. Haas' Kindergarten

Your child can do this... *Green = by themselves* *Blue = with some support at times* *Pink = with support/ a person to play with*

Colour the story "In the Spring". Write your name on the front. (found in Ziploc bag)	Go for a walk outside. Choose a safe spot during your walk to stop, look, and listen. What can you see that is moving? How do you know it's moving?	Build a shelter for an animal out of LEGO. What animal did you choose? What do they need in their shelter?	Do 3 GoNoodle videos from our Pinterest page (they're our favourite videos already linked for you!)	Colour the camping bookmark found in Ziploc bag.
Find 2 items. Put one in each hand. Which one is heavier? Which one is lighter? How do you know? How could you test that? (i.e. dropping the items, floating them in water, etc.)	Pick a room in your house. Find some paper that you can cut up and make labels with. Grab a pencil. Label at least 5 things in this room with their starting sounds (i.e. a table = 't').	Do you have Cheerios or another cereal like this? Play the math game "Counting Crunchies" from your ziploc bag. Instructions are included with the gameboard!	Watch the video "An Elephant and Piggie Book. I Really Like Slop" by Storybooks Aloud on YouTube (if you don't own it at home). Then watch the video "I Really Like Slop! By Mo Willems for a funny how-to by Mo Willems himself!	Complete a page in your Jolly Phonics book. Use pencil for the letter practice. Colour the top picture. Circle the pictures at the bottom that start with the sound of the letter at the top of the page.
Go outside (or stay inside if you can't go outside right now). Create a cafe or restaurant. What are you going to make and sell?	Help your mom, dad, or siblings make lunch!	How many fingers does your entire family have altogether? Remember to count your fingers too!	Practice reading the story "In the Spring". How do you know what the last word is on each page?	Read with someone! Could be your Grandparents, Mom, Dad, brother, sister - what book would you like to read today?
Do a puzzle. Send Ms. Haas a picture when you're finished!	Draw a picture of your family. Thank God for one thing about each person you drew.	Write Ms. Haas a speech to text email. What was your favourite part of Spring Break? What "theme" days would you like to do before June? (Remember pirate day? Something like that.)	Find some of your toys and make a story with them. Who is in your story? Where is your story happening? Tell your story to someone in your family.	Start the BINGO card from your ziploc bag. Can you check off 3 boxes this week?

Choose what works for your family. You can complete all the activities throughout the week, you can complete an activity more than once, you can choose not to do some activities. You can do them in order or jump around - point is, stress-free "play" learning is the goal!
